A MESSAGE FROM THE PRESIDENT MICHELE LOGAN ANCHORAGE CHAPTER

It is already June!

I hope your summer has gotten off to a fabulous start! Speaking of June, Tuesday, **June 7**, is our last APOA Anchorage Chapter luncheon before our summer hiatus. We will resume luncheons on Tuesday, August 2.

Our June 7 luncheon speaker will be Cynthia Franklin, Director of the Alcohol & Marijuana Control Office (the new name for the Alcohol Beverage Control Board). Cynthia will bring us up to date on the race for commercial marijuana licenses for testing labs, growing operations and sales establishments, as well as the challenges that have come with putting the procedures and regulations in place. The website for the AMCO is at the following link: <https://www.commerce.alaska.gov/web/amco/>.

Next, I want to send a shout out to the APOA Capital City Chapter on the fantastic training conference they hosted in Juneau last month. The APOA conference attendee numbers continue to decline, but APOA is addressing this concern with a traveling trainer model of training which will be rolled out next year in lieu of an all-out conference. Stay tuned.

Even though the Anchorage Chapter will be on hiatus for the summer, I do want to mention that along with the Fraternal Order of Alaska State Troopers (FOAST) and DPS, we are supporting the **75th Anniversary of the Alaska State Troopers Pistol Shoot on Saturday, July 23, at the Birchwood Range.** This will be in lieu of having our own shoot this summer.

The Anchorage Chapter will be hosting food free-of-charge for the all-day event. We will also be providing several guns for the competition and door prizes, as well as a gun raffle. Every participating shooter will be entered for a chance to win a gun door prize – so you don't have to be a top gun winner in the competitive events to have a chance to win.

Letter from the President ...continued

Thanks to our own Anchorage Chapter member, **Dan Rush, owner of Northern Security**, there will be a fun shoot for family members and those who do not desire to shoot competitively. Dan will be setting up steel targets with **Jason Wood of TargetsUSA** and providing ammo and a Smith & Wesson line of guns for folks such as wives and teen-age kids to shoot. **Matt Chen from Glock**, a friend and generous supporter to APOA, is also scheduled to be on site and will be providing prizes.

As soon as the flyer for the shoot is completed, we will email it out to members. In the meantime, circle Saturday, July 23 on your virtual calendars for a fun day at the range! I hope to see you at the June 7 luncheon. Have a fabulous summer!

Police Use of Force for Command, Supervisors and Trainers - A Systematic Approach

On May 24, 2106, the APOA Anchorage Chapter hosted a L.O.C.K.U.P police use of force class for executives Anchorage Police Department Training Center. The class was well-attended with at least 70 attendees from multiple local, state and federal law enforcement agencies as well as DOC and private attorneys. Judging from the evaluations submitted, instructor Kevin Dillon was given high reviews. The Anchorage Chapter also provided refreshments for the class. APSC sponsored Kevin for an additional class the next day on diffusion strategies.

The Anchorage chapter would like to thank APD Captain Sean Case for the support in organizing the class, the Anchorage Police Department for the use of their facility and the APD Training clerk, Anna Venhuizen, for her assistance and admin support.
