

Adair-Kennedy Scholarship

Alaska Peace Officers Association

Capital City Chapter

DESCRIPTION AND BACKGROUND

The Alaska Peace Officers Association is a non-profit professional association composed of members of law enforcement agencies statewide. The mission of the Capital City Chapter of APOA is to promote relationships and communication between local, state, and federal agencies and to further professionalism through training, education, and social events throughout the City of Juneau and the State of Alaska.

The Adair-Kennedy Scholarship Fund was established to honor Juneau Police Officers Jimmy Kennedy and Richard Adair. Officer Kennedy and Officer Adair were ambushed and killed while responding to a shots fired call in the Highlands area of downtown Juneau on April 17, 1979. Generous donations were made to APOA to create this fund and its members are proud to continue to present these yearly scholarships.

The scholarships are offered to graduating seniors of the local high schools or area students in college, whose interest, career plans, character, and abilities make them suitable for entry into the law enforcement field. By definition, the law enforcement field includes police science, police administration, legal studies, probation and parole, forensic science, corrections, wildlife protection, homeland security, public safety, criminal justice, or closely related fields. Typically, two \$2,000 scholarships may be awarded on a one-time basis.
